

2017 Corporate Wellness Award Application

The Corporate Wellness Award is presented to an organization that is a “pacesetter” in the area of corporate wellness in the Baton Rouge Community. Showcase your company’s wellness program by submitting a **2017 Providence Corporate Cup Corporate Wellness Award** application.

Corporate wellness is defined as an employee wellness program having a function for increasing employee morale, loyalty, and productivity within a corporate culture. The organization being nominated **must be doing business within the Baton Rouge capital region**. The following list suggested aspects of corporate wellness programs we are interested in hearing about. This **info is not required**, but meant as a guide. If your company is equipped or provides any of these services, please include it in your submission.

Health fairs

Group exercise classes

Weight loss counseling

Wellness counseling

Wellness program website

Cafeteria / healthy vending

Wellness assessments

Wellness seminars

Wellness awards received

Fitness Center

Wellness challenges

Wellness achievements

Personal trainers

Wellness incentives
